### *Where Friendships Bloom & Conversations Grow*

Join us in the Activity Room for the 2nd editions of **Creative Connections**, a welcoming gathering for adults 55+ designed to educate, connect, and help combat senior loneliness. Enjoy coffee and light refreshments while you mix, mingle, and meet new people—plus fun conversation prompts to help break the ice and spark meaningful connections.

This is a relaxed, pressure-free space where you can participate at your own comfort level, share stories, and enjoy the simple joy of connecting with others. Spring into connection and rediscover how uplifting good conversation can be!
